Principal's Message

Alan Fields:

Huge thanks goes to our parent and community volunteers and business donations for making Homecoming a great success! The fall sports are rapidly reaching the pinnacle of their seasons. We have a very high number of students participating in these fall activities.

There will be no school for students October 21, 27, or 28 for end of the quarter in-services and conferences. The end of the 1st quarter is on October 21, this is an in-service day. The end of the quarter will be followed by another opportunity for parents to meet with the teachers. Parent teacher conferences will be October 27 from noon to 3pm and from 5pm to 8pm. Questions that parents should ask include but are not limited to: Is my child working up to his/her ability level? What does my child do well? What can they improve upon? Does my child cause any trouble? How can we better work together to help my child succeed?

I look forward to visiting with all of you. Thank you for a wonderful start to the school year.
