PRINCIPAL'S REPORT/COMMENTS: There are 450 students, over 30 students moved out of state over the summer, 60 less than our projection, which is a reflection of the job market and LNG sales in North Kenai. Central office is looking at cutting staff at the semester.
Fall sports are off and running with great participation numbers and representation. Teams are performing well, girls cross country took second at a large meet a few weeks ago, Freshman orientation on August 15 was well attended, Back to School night on September 1 and Sept 12 eligibility meeting had lower than usual attendance. Sept 22 is senior parent night, school pictures are set for September 27, and Parent/Teacher conferences will be October 27 from 12- 3 pm and again 5-8 pm.
